Hongkong Tides.

The Tide Table given below has been compiled by the Nautical Almanac Office in London from the result of the analysis of observations taken by means of an automatic tide recording machine in the Water Police Basin at Tsim Sha Tsui during the years 1887-8-9.

The zero of the table is Law Water Or. dinary Spring Tides, which has been found to be 2 feet below mean sea level. To obtain the depth of water on the tide gauge at the Victoria Naval Yard add 5 ft. 7 in., and on the gauge at Lamont Dock, Aberdeen, add 12 ft. 9 in. the height given in the table.

FRAUD ON THE HONGKONG AND SHANGHAI BANK AT COLOMBO.

At the Colombo Criminal Sessions on the 1st August, Mr Justice Dodwell Browne had before him Arthur Mildmay Gepp, who was the other day acquitted on a charge of deceiving the Chartered Bank, but who was now charged with defrauding the Hongkong and Shanghai Banking Corporation, by somewhat similar methods. The formal indictment against the prisoner ran as follows:—That you, on the 24th July, 1897, at Colombo, within the jurisdiction of this Court, choated, firstly, by falsely pretending to Robert Wilson, Manager of the Colombo

branch of the Hongkong and Shanghai Banking Corporation, that you had in your possession, and under your control, and available to be field in trust for the said Corporation, 23,801 lbs of tea of the value of R10,800. Secondly, by falsely pretending to the said Robert Wilson, that you would hand him, on or before the 14th Adgust, 1897, bills of lading for the said 23,801 lbs, of tea. Thirdly, by dishonestly concealing from the said Robert Wilson the fact that you were hopelessly insolvent, and thereby dishonestly inducing the said Robert Wilson to allow from the said Colombo branch of the said Banking Corporation an advance of , R10,000. The whole of which sum you drew from the said Colombo branch of the Banking Corporation and thereby committed an offence punishable under sec-

tion 403 of the Ceylon Penal Code. The trial lasted four days, and resulted in the prisoner's conviction, sentence being

Mr Curzon: It is the duty of the Consul to take such steps as may be in his power to make the arrangements to which my hon friend alludes generally known to British residents. We have not heard of the incidents mentioned in the question, but Her Majesty's Consulat Manila will be asked to furnish a report on the subject. A TERRIBLE COUGH. A TERRIBLE COUGH A TERRIBLE COUGH.

"94. Commercial Road, Peckham, July 19.
"Dear Sir,—Lama poor hand at expressing
my feelings, but I should like to thank you.
Yourl reages have done wonders in federing my
terrible cough. Since I had the operation of Trachectomy of the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St. Bartholomew's Hospital, no one could possibly have had a more violent couch; it was so bad at times, that it quite exhausted me. The mucous, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am, sir, yours truly, J. HILL."

A JAPANESE clerk named Kuing Sikiguchi, employed by the Nippon Yuson Kaishn, charged a Chinese amah, at the Magistracy to-day, with stealing a silver watch and chain from his house at No. 17 Hollywood Road. The amah was dismissed three or four months ago, but she came back to the house yesterday to obtain a pair of her son's trowsers. Sikiguchi's wife handed over the trowsers, and the amah departed. Not long after the amah had gone the watch was missed. The smah was sentenced to forty-two days' imprisonment, with uard labour.

An Indian constable stands charged with the larceny of a registered letter which was delivered on 1st February at the Central Police Station. The defendant was on charge-room duty on the day in question, and according to the evidence produced at the Magistracy to-day, he signed the usual registered letter receipt for a letter handed to him by the Chinese postman. Complaint was made to the Post Office officials about the non-receipt of the letter by the addressee, and enquiries were instituted which led to the arrest of the constable. At the Central Police Station, the Chinese delivery coolie picked the prisoner out from amongst a number of Indian constables ranged up on the verandah.

John Salakin, a watchman employed by the Chinese Imperial Maritime Customs at Canton, was charged, at the Magistracy to-day, with an assault upon a ricksha coolie. Yesterday, Salakin engaged the ricksha beside the Central Market, Another man was with defendant, and he got into a ricksha behind complainant's. The coolie told the man to get into the rickshain front, and then lifted the shafts to drive off with defendant, when Salakin struck him on the buttock with a stick. Commander Hastings imposed a fine of \$7, with the alternative of twenty-eight days' imprisonment, and ordered him to pay \$3 compens.

The paregraph in question was taken as it stands in our columns from the The N. P. Co.'s s. s. Cohembin, from Japan newspaper, and for the bracketted statement 'probably warrant officers' the depantese paper is responsible. We are sorry, however, that we have unwittingly alighted a body of men whom from personal acquaintance we know to be well behaved and exceedingly courtenus gentlemen. We have no information with respect to the brawl beyond the extract we published, but eyen assuming the delinquents wore war. rant officers, we think the implication on The N. Y. R. s. s. AT the Magistracy to-day, P. C. Kellt charged Samuel Robins, of H.M.S. Defendant and three marines were seen last night by the sldered due at Singapore on or about constable outside the Globe Hotel, going west.
